This is my authorization, as parent or legal guardian of said minor child, _____ for any hospital and/or doctor to examine and/or treat said minor child. This ___ day of _____, 20__.

Signature of Parent/Legal Guardian: _____

Insurance Company _____ Policy Number _____

What is TEC?

Teens Encounter Christ (TEC) is a three-day weekend experience for young adults (open to teens beginning January of their freshman year in high school). The weekend is led by lay persons, both adults and young adults, and Lutheran clergy.

Its broad objective is to enable youth, at a time when they are making life decisions, to encounter the presence of Christ in their lives and commit themselves to a life under Him.

The TEC weekend consist of a Christian community of adults and youth. Each person attending this weekend is drawn into the community through prayer, sharing, and formal and informal worship (Including Holy Communion and Affirmation of Baptism).

Each individual is guided, at their own level and pace, in a non-threatening environment in which they are respected as a complete and individual person.

Each of the three days on the TEC weekend will have its own focus. The first day is Die Day, which focuses on Christ dying for our sins. The second day, Rise Day, focuses on Christ rising from the dead and, thus, giving us new life. The last day, Go Day, enables us to make use of what we've learned when we go back into the community.

TEC Objectives

That the participant may:

1. Encounter the person of Christ
2. Joyfully experience an accepting community of Christians who are committed to Christ.
3. Commit themselves to life under Christ.
4. Experience in the church's worship life a meaningful and joyful expression of their own worship life.
5. Renew their commitment to Christian service in their home church.

TEC is open to persons of all Christian denominations.

Please feel free to ask your sponsor any questions you may have.
